Why attend?

- Learn more about i-coach academy and the differences in coaching accreditation
- Discover i-coach academy's unique framework and approach to coaching education
- Identify where and if coaching fits your personal, professional or organisational goals
- Determine which i-coach academy programme may be appropriate for you
- Meet Faculty members, graduates and students to gain insight into the Learning Journey
- Network with a learning community committed to enhancing professional coaching practice

Registration Form

About us

i-coach academy was founded in 2001 to provide a recognised standard of academic and practice based excellence to underpin the discipline of coaching.

We currently operate in London, Johannesburg and Cape Town offering experiential learning coaching programmes with routes to Post Graduate, Masters and Doctorate Coaching Qualifications from The Institute for Work Based Learning at Middlesex University, UK. Our Masters Coaching Qualification is also professionally accredited by the European Mentoring and Coaching Council (EMCC) holding the European Quality Award (EQA) at Master Practitioner Level.

We also offer continued professional development and coaching supervision for coach practitioners as well as individual coaching and consulting services for organisations looking to leverage their investment in coaching.
